

Dedication to service and improvement have been the **BIRDIE®** hallmark for 50 years. Each jacket is the result of finer materials and superior craftsmanship. Wear-tested, attractively styled **BIRDIE®** jackets set the pace for value.

All outershells are made with fabrics which have been treated for water-repellency.

Slash pockets are reverse-welted for added rain protection.

We try to standardize our colors as closely as possible. Dyeing, however, is not an exact science yet, and successive lots of cloth may not prove to be exactly the same shade.

We cannot, therefore, be responsible for mismatching.

We ask that before garments are lettered or screen printed, they be inspected for correctness in style, size, and color, as well as for defects. We do not assume any responsibility for the cost of the lettering or the imprinting if these instructions are not followed.

Silk screening, embroidery, lettering available on request.
